

MATTERS

Medication for Addiction Treatment & Electronic Referrals

Harm Reduction Vending Machines

WHAT IS IT?

New York MATTERS is a collection of resources to initiate care and quickly link patients to appropriate treatment. It utilizes an electronic platform (hosted by the New York State Department of Health) to efficiently refer patients with opioid use disorder to community-based clinics from emergency departments along with OB/GYN offices, correctional facilities, inpatient units, pre-hospital settings, etc.

 newyorkmatters.org

Harm Reduction & MATTERS

Not all patients are ready for treatment and the services MATTERS offers through its electronic referral platform...

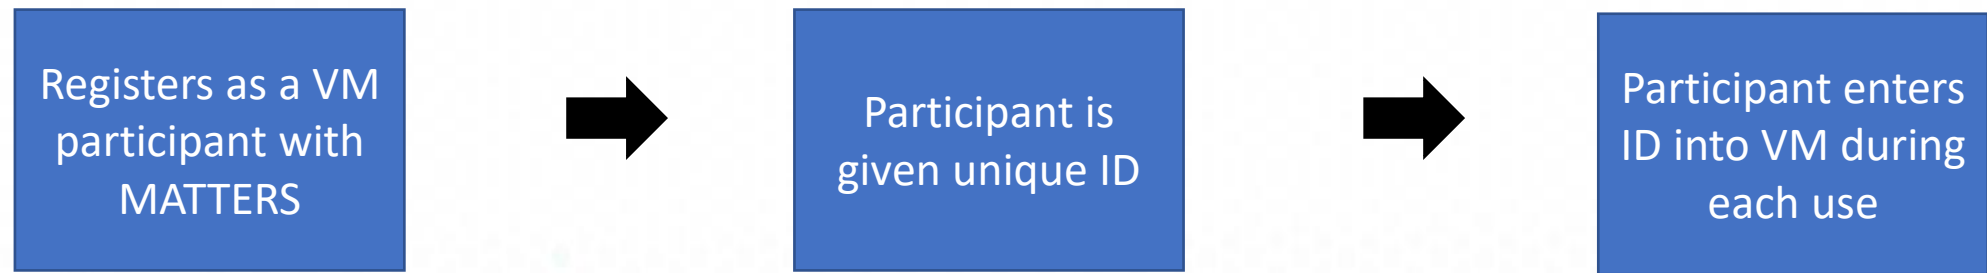

To better serve these patients & our community, we now offer...

- Naloxone
- Fentanyl Test Strips
- Vending Machines
- Syringe Service Program

MATTERS is looking to partner with organizations across New York State to manage harm reduction vending machines

How does someone utilize the vending machine?

**Amount of supplies dispensed to each participant ID is regulated*

What supplies will be offered in the vending machines?

- Naloxone
- Fentanyl Test Strips

**Also exploring the addition of syringe supplies!*

Where will the vending machines be located?

- Anywhere that will be easily accessible to our target population
- Partner organizations will work with the MATTERS team to determine an appropriate location

Partner Responsibilities

- Purchase vending machine and other setup supplies
 - Partner organizations will be reimbursed within 4-6 weeks of purchase
- Monitor vending machine supply and re-stock, as needed
 - Will place orders through MATTERS website for additional stock

MATTERS Responsibilities

- Register participants to obtain supplies from the vending machine
- Send naloxone, fentanyl test strips, etc. to partners as orders come in

Cost Breakdown

Item	Cost
Vending Machine	\$10,220
Software (Annual fee)	\$600
Warranty (Annual fee)	\$1,800
Cellular Service (Annual fee)	\$180
Electrical Installation (If needed)	\$1,500
